This work has the main objective of reporting the activities done in 2016, April relating to indigenous culture within the “Esporte Criança” course 3-6 years old at SESC Santos, exploring different practices and physical skills in class, based on the gymnastic elements. Games as “Indian out of the hollow”, “each monkey in your branch” and “tug of war” were adapted to bring the indigenous environment for gymnastics activities proposed to children.

Expectativas traçadas

O reconhecimento da cultura Kalapalo, os mitos, brincadeiras, histórias, os materiais de caça, a fabricação de brinquedos, as músicas e danças, desenvolvendo assim diferentes possibilidades motoras, como correr, saltar e rolar.
